Hello everyone,

I hope you and your families are doing well and staying safe during this time. The HRHS staff realizes how challenging it is for all of you during this time. We understand that you and your family members, friends and the HRHS staff have been greatly impacted by this unfortunate situation. Please understand that we are all sailing through these 'unchartered waters' together, as this is a new experience for us all. With that said, please know that we are here to support you during these times. Even though, we are not physically in the building, we have the ability to communicate through the virtual world which includes, texting, emailing, phone, Skedula, Google Classroom, video conferencing, etc.

### **Progress Reports**

**At this time, Progress Reports are available through Pupil Path now.** I encourage everyone to continue to communicate with your teachers and counselors. It is important that you continue to complete your assignments to the best of your ability under the circumstances. Please do not hesitate to contact your teacher, counselor or myself if you are having any difficulties with completing the assignments. Again, this is a great opportunity during a not so great time to take advantage of earning credits and if eligible, the option to have your Regents waived if all your requirements are met within the subject of the still needed Regents.

### **Directions for Logging-In to Pupil Path to view Progress Report Grades**

- 1 - Log into Pupil Path. If you need log in information, please reach out to the school
- 2 - On the left side menu, select 'Grades' and then 'Report Cards'
- 3 - Grades will appear under MP1 next to each class

### **Progress Report Grades**

The Progress Report grades during this trimester will consist of either receiving a P or NX.

P – Passing Course

NX – Will be considered 'Work In Progress', which indicates that you will have the opportunity to make up missing assignments to earn a passing grade.
